

# FLOOZEVILLE ACTIVITIES

**Fizzy You! - Create a Fizzy version of yourself. What do you look like? What is your job in Floozeville? Do you have any special skills? Do you ever get to venture out to Pflugerville? Use the worksheet attached to tell us all about Fizzy You!**

**It's a wild goose chase! - Write a detailed discription of a crazy adventure you'd like to see Waffle and Martha go on. Are they searching all of Pflugerville for a bag of magical rainbow cheetos? Are they on a mission to bake the biggest cupcake the world has ever seen and then eat it in record time? Why are you sending them on this journey? Do you think they will succeed? Why or why not?**

**Underground World - Floozeville is a secret civilization under the town of Pflugerville! If there was a secret world under your town, what do you think it would be like? Draw a map of your own secret world with detailed notes all about it. Does anything live there? If so are they humans or creatures? What do they do there? Do they ever sneak up into the town for any reason? Do they speak a different language? Is the whole world underwater? In a jungle? Be creative!**
